

## Samples of Effective Stop Hate Speech Posters

Some of these examples are designed with specific days in mind, but they show how to create an effective visual with a strong message. Another good place to look for examples of effective Hate Speech posters is Pinterest.

# MAKE FREE SPEECH COUNTER HATE SPEECH.

*“...we should seek to set a standard of civility and generosity of spirit in discourse that perhaps over time will be an illuminating counterpoint to the hate speech that threatens the very fabric of our republic.”*

# **HATE SPEECH is not FREE SPEECH**

**Every time hate speech is permitted  
it *costs* someone part of his or her self,  
part of their self-respect, or part  
of their sanity. It rips *people* to shreds  
and destroys society.**

## **Hate speech is anything but Free.**
